

## DESIGN YOUR FUTURE IN HOSPITALITY

### Focusing on five-star service, hotel management and the art of design

#### HOME FROM HOME FAMILY ENVIRONMENT

Small class size allow for a personal learning experience within a close-knit environment. With focus on personal development and leadership skills, tailor your education to your career aspirations.

#### UNIQUE FOCUS ON DESIGN

Partnerships with John Paul, Hublot, Andaz, Trolle, Alessi and Hirsch Bedner Associates (HBA) gives students the opportunity to learn and develop new standards in hospitality interior design.

#### VIBRANT UNIVERSITY CITY

Our campus is located in the heart of Neuchâtel, a vibrant Swiss university city. This beautiful location nestled between mountains and lake is a cultural hub and offers plenty of opportunities and activities. Our international student body is well integrated in the local community and partakes in many local events.

# HOSPITALITY AND DESIGN

## A UNIQUE CONCEPT

The combination of study in all aspects of hotel management and practical training in operational areas, gives you an education that is truly unique and prepares you for an exciting career in the growing hospitality industry.
