

ELS January Youth Homestay Live with an American Host Family!

January 5 – 25, 2020

St. Petersburg, Florida, at Eckerd College

This all-inclusive program is for students aged 10 – 16 looking for a unique American experience while on break from their regular academic studies in their home country.

About the Program

Students live with a carefully screened, vetted and background checked English-speaking host family. Experience a pleasant and safe “home away from home” in a tranquil and safe community. All host families are dedicated to hosting international students; they look forward to helping your child learn English naturally while experiencing American culture.

St. Petersburg, Florida, is located on Florida’s tropical west coast, known for its beaches, mild climate, and cultural attractions.

Supervised weekend trips feature visits to exciting theme parks such as Disney World®, Busch Gardens® and Universal Studios Florida®, where students can experience The Wizarding World of Harry Potter.
